Bruce,

EPA would like to continue our conversation from March 12, 2013 during the upcoming video-conference. We have further researched the status and nature of the Panalyte property and would like to present our findings, as well as discuss a few of your issues raised at the meeting. Also, please let the mayor know that Rick Karl, Region 5's Superfund Division Director, will be participating in the video-conference. Could you check on the Mayor's availability the following week as I am not sure that Rick will be available on those dates you have already provided.

Thank you,  
 Michael

Maria –

The USEPA now wants to do a videoconference with the Mayor and City staff the week of April 8. We need to do this at City Hall likely up in IT. Can you let me know the Mayor's availability that week? Thanks.

Bruce
